MEMORANDUM FOR: Associate Deputy Director for Intelligence

SUBJECT : Request for Approval of Speaking Engagement

STATINTL

1. I request approval to appear as a speaker at the Yale Political Union, Yale University on 11 October, in response to an invitation from union member [REDACTED]. A summer intern with OPR this year, [REDACTED] is conducting, as part of his Ph.D. dissertation, an unclassified version of the China-Vietnam political game which he moderated at OPR this summer. He is using Yale Political Union members as game participants, and would like me to brief the participants on the background and recent development of Sino-Vietnamese relations.

2. This will entail a one-hour substantive and analytical talk before an audience of about 40 Yale students. Apart from informal discussion with game participants at lunch, there will be no further exposure and no publicity. My talk and discussion to follow will be based entirely on unclassified sources from the public media. I will be identified as a CIA Research Analyst.
